

Service Group Build

Be a part of Habitat’s homebuilding efforts! Your group can sign up to help build and fund five homes for our Geneva Build located in Glendale. For all Service Group Builds on Saturdays, we ask your group to support the efforts of Habitat and raise a minimum of \$1,000 to send a volunteer group of up to 20 members to our construction site.

By partnering with San Gabriel Valley Habitat for Humanity (SGVHFH), your group will receive the following benefits:

- One Saturday build day shift (8am-12pm or 12pm-4pm) for up to 20 volunteers—we will work with you to schedule your group using your top 3 preferred dates
- Assistance with organizing your group and planning the team day
- Option of sending a representative to the regularly scheduled Volunteer Orientation or having a personalized Volunteer Orientation at a date, time and location of your choice
- Certificates of Appreciation for each member of your Laying the Foundation team
- Recognition in affiliate newsletter, Habitat Builder, and social media outlets

Sign us up!

Team Name _____
 Address _____
 City, State, ZIP _____ Phone _____
